Please note the conditions of vehicle entry:

1. Vehicles must be presented in a clean, complete and safe working condition.
2. All vehicle entries must be insured against third party risks, (**a copy of your insurance documents will be required to show that it will be valid for the event**) fully licensed and tested in accordance with the regulations applicable to that type of vehicle for road use. The organising committee reserves the right to ask for proof of these items.
 - a) For vehicles carrying passengers on our free services each vehicle must have a Class 6 or 5 MOT, those exempt from an MOT must have an inspection sheet complete with brake test from the 8 weeks prior to the event available on the day.
3. Owners must ensure that all drivers are fully qualified in law to handle the class of vehicle exhibited. **They must also carry the relevant driving license on them at all times.** (**a copy of your license will be required to show that it will be valid for the event**)
4. No exhibit's engine shall be left running unattended. All unattended vehicles shall be left securely braked and/or chocked.
5. A speed limit of 10 mph shall apply to all vehicles in all rally areas.

6. Drivers and/or owners must pay full regard to any rally marshal's instructions and conduct themselves in a manner which will not inconvenience other road users or other persons at any time during the event.
7. If any vehicles are to remain on the rally site after the closure of the road has been lifted, they must be parked safely and legally at the kerbside by 1630hrs (4.30 p.m.) to allow re-opening of the road to normal traffic (the road closure permit requires that the road be opened to normal traffic no later than 1900hrs [7.00 pm]).
